

In order to raise funds our organization has joined SCHWAN'S FUNDRAISING™ to bring us a unique opportunity to participate in the Gift Certificate Program! Schwan's has created this program to give you a freedom of shopping from home with the convenience of home delivery. Each gift certificate has a value of \$25.00 and can be used for purchasing over 300 products of great tasting, high quality foods from our Schwan's Home Service Catalog(s) or on the web at www.schwans.com.

In order to support our programs it is as easy as 1, 2, 3!

1. Fill out the attached order form below and return the order form and payment to your organization.
2. Schwan's will send the gift certificates to the organization 2 weeks after the order forms and payments have been received.
3. Your organization will inform you where and when to pick up your gift certificates when they arrive.

Reminder: These gift certificates can not be used on purchases through the Schwan's Fundraising program.

We are excited to show you what Schwan's can offer in our fabulous array of quality products that will be delivered directly to your door! You give us the order and we take it from there!
